Mar 8, 2015 First of all, I'd like to welcome you to my trainer. Fallout: New Vegas is one of my favorites ever created. It brings together the history of the game and adds a lot of great new features. I've been playing it for the last two years and I feel the need to help to make the game even better, so I thought about a new project that would help you as much as possible. That's why I decided to create a trainer with all the features unlocked and a lot of secret things with just a simple look. So, you're welcome to try this new trainer for Fallout: New Vegas. For this trainer, I've used a modified version of gamefreak's trainer, and I thought of creating a full version, not just a half version trainer. So here it is: The brand new Fallout: New Vegas Ultimate Trainer 1.4.0.525!. This trainer is free and was created with simple functions. When using this trainer, note that all the features are unlocked. Feel free to use them as you wish, they are all unlocked. But keep in mind that the trainer is intended for players like me, so you shouldn't use them when playing with "normal" settings. This trainer is far from "ultimate", but we were able to collect a few things here and there to add a little flavor. What do you think about this trainer? If you have questions or comments, I'm waiting for you to contact me. Enjoy this trainer and have fun!. Skills You should be able to collect all skills from the following categories: • Traits and skills • Mods • Skills • Training Each category is divided into subcategories: • SKILLS • TRAITS • MODS . Unlockables You can use all the available secrets of Fallout: New Vegas 1.4.0.525. • Absence of mods • Absence of mod (Directive that removes mod) • Absence of skills • Absence of trait (Directive that removes trait) • Absence of skills and trait (Directive that removes mod and trait) • Absence of mod, traits and skills (Directive that removes mod, trait and skill) • Absence of mod, traits, skills and mods (Directive that removes mod, trait, skill and mod) •

De la noche a la mañana, un grupo de al menos diez personas que usaban indumentaria 'cachucha' violentaron y violaron a una mujer de 24 años que estaba cerca de la avenida de José Joaquín Paris esquina con la calle de Arús en el sector de Cuenca. Juan José Alaya, síndico del lugar, reportó que los delincuentes comenzaron a patear la mujer y golpearla en la cabeza y que ninguna de las víctimas reportó antecedentes policíacos. "Es preocupante que son unos vagos que ellos están destruyendo el estado que tenemos y creo que están actuando solo", relató Alaya. "Sin embargo, el estado no le da la asistencia al dueño y nosotros queremos que se haga justicia", dijo el síndico. "Cuando hicieron la lesión a la gente, ellos entraron a una camioneta, donde metieron a la mujer y estuvieron sin ser detenidos. Se va a llamar a la Fiscalía Especial para que haga una declaración, que pueda irnos a hacer la denuncia oficial", afirmó Alaya. Según información de la Fiscalía entre las víctimas de la violencia estaban más de una docena de personas. Por su parte, Juan José Alaya, síndico del lugar, afirmó que los delincuentes entraron en la camioneta y tras desarmarla le quitaron la ropa a la mujer. "Son habitantes de la zona que aparecen tras las gentes que están en la calle. De n ba244e880a
